

## CSE - 308

### Assignment - 2 Report

#### (a) Problem Statement :

Create a file "PL\_2020.txt" which will contain the Premier league table of 2020, which contains 20 football team's names and their points this season. The top 4 teams of the table will play UEFA Champions League next season. So another file named "UCL\_teams.txt" will be created and the top 4 teams of the Premier league table will be selected using head and printed in the "UCL\_teams.txt" file using Pipeline. From "UCL\_teams.txt" file we will be able to see the name of the teams who are selected for UEFA Champions League next season along with their points this season.

#### (b) Related Commands :

- mkdir (For creating new directory)
- cd (to enter or leave a directory)
- touch (to create a file)
- cat (to print or write or append in a file)
- head (to show the first n lines of a file or a output)

#### (c) Solution Commands :

1. mkdir "Season 2020"
  2. cd Season\ 2020
  3. touch PL\_2020.txt
  4. cat > PL\_2020.txt
- | Teams          |  | Points |
|----------------|--|--------|
| Liverpool      |  | 99     |
| Man. City      |  | 81     |
| Man United     |  | 66     |
| Chelsea        |  | 66     |
| Leicester City |  | 62     |

Tottenham	59
Wolves	59
Arsenal	56
Sheffield United	54
Burnley	54
Southampton	52
Everton	49
Newcastle United	44
Crystal Palace	43
Brighton	41
West Ham	39
Aston Villa	35
Bournemouth	34
Watford	34
Norwich City	21
ctrl+c	

5. touch UCL\_teams.txt
6. cat PL\_2020.txt | head -n 5 > UCL\_teams.txt
7. cat UCL\_teams.txt

(d) Description of the Solution :

1. Creating a Directory named "Season 2020"
2. Entering inside the directory "Season 2020"
3. Creating a file named "PL\_2020.txt"
4. Writing in the file "PL\_2020.txt".Input A 20 teams league table along with their names and Points in season 2020.
5. Creating a file named "UCL\_teams.txt"
6. Output the file PL\_2020.txt and taking this output as input head chooses the first 5 lines of the file and writes it in UCL\_teams.txt
7. Prints the UCL\_teams.txt file on the terminal.
